

## PAROC Drilling tools

- PAROC Drill Bit concrete L 6.3 (XFD 001)
- PAROC Drill Bit concrete S 5.0 (XFD 002)
- PAROC Drill Bit extension (XFD 003)
- PAROC Screwdriver Bit T25 (XFT 005)

**PAROC Drill Bit concrete L 6.3 (XFD 001)** with SDS connection is suitable for drilling the concrete, lightweight concrete, and brick. The drill is used for pre-drilling before assembly of the façade screw HECO Multi Monti (XFS 004) to concrete. The diameter of the drill is 6.3 mm, and it is available for drilling depths 300-450 mm.

**PAROC Drill Bit concrete S 5.0 (XFD 002)** with cutter / stop is suitable for drilling concrete, lightweight concrete, and brick. The drill is used for pre-drilling before mounting the Insulation dowel SFS R45x85/TI-T25-6.3 to concrete (XFM 005). The diameter of the drill is 5 mm, drilling depth 35 mm and it is available in 100mm length.

For thicker insulation layers, it is recommended to extend XFD 002 with a 500 mm-long extension part **PAROC Drill Bit extension (XFD 003)** with SDS and conical attachment. The drill extension comes with a wedge that can be used to detach the concrete drill from the extension piece.

For the insulation fastener installation, it is recommended to use **PAROC Screwdriver Bit T25 (XFT 005)**. The screwdriver bit with Torx T25 tip and universal 1/4-inch hex head fits all power drills, impact drivers, and manual screwdrivers. The screwdriver bit is suitable for installing both Insulation dowel SFS RP45x120/BS-4.8 wood (XFM 004) and Insulation dowel SFS R45x85/TI-T25-6.3 concrete (XFM 005).

- APPROVALS:** N/A
- APPLICATION:** Insulation fastening tools
- PACKAGE / STORING:** Carton

### DIMENSIONS

Product code	diameter	Length / Drilling depth	packing	EAN 64380
PAROC Drill Bit concrete L 6.3 (XFD 001)	6.3 mm	360 mm / 300 mm 410 mm / 350 mm 510 mm / 450 mm	1 drill / carton	8566708 8566707 8566706
PAROC Drill Bit concrete S 5.0 (XFD 002)	5 mm	100 mm / 35 mm	1 drill / carton	8571085
PAROC Drill Bit extension (XFD 003)		500 mm	1 drill extension / carton	8571085
PAROC Screwdriver Bit T25 (XFT 005)	6.3 mm	350 mm	1 bit / carton	8571086
